## YOU MUST SEE THE GREAT WONDERS

(By Wills C. Coleman)

This is the year to see your  
country, for this is the year of  
the great Panama-Pacific Inter-  
national Exposition at San  
Francisco, Cal., the year that  
celebrates the triumph of the  
United States in building the  
Panama Canal, the greatest feat  
in engineering ever accomplished  
by humans—the eighth wonder  
of the world.

This is the year that should  
make the American a traveler at  
home, a student of the land that  
is his home. You can travel  
this year more cheaply across  
the continent than ever before;  
more cheaply than you will be  
able to travel for years to come,  
undoubtedly. And your reward  
for traveling will be greater than  
ever. Join the "On to Frisco"  
movement, and by so doing your  
trip to this great exposition will  
cost you nothing and will give  
you One Hundred and Twenty  
Dollars cash besides.

Merchants in your county, and  
also your newspapers, have the  
"On to Frisco" spirit in their  
bones and it is necessary for  
you to look them up to get a  
better understanding of what  
this movement is. Not all the  
merchants in your county, how-  
ever, have this progressive  
spirit, for such a spirit would be  
unnatural. Progress doesn't  
prevail in every mind.

Going West by one road and  
returning by another you will  
see thousands of miles of this  
wonderful country; its deserts,  
which man's power is changing  
into gardens; its mountainous  
backbone of rock, snow-covered;  
its wonderful valleys that never  
know cold; its plains that feed  
a thousand million human beings;  
its cities, lakes, and rivers. You  
should not know them merely in  
the geography of your childhood.  
Make the effort, however great  
it may be. Determine that you  
will see the great Panama-Paci-  
fic International Exposition, in-  
finitely the most wonderful that  
the world has ever produced; and  
that you will see at the same  
time YOUR OWN COUNTRY  
and the marvels that make it the  
greatest upon the earth.

Again, not all the merchants  
in your county are interested in  
this great and wonderful pro-  
gressive spirit, "On to Frisco",  
so it is quite necessary for you  
to look for the merchants who  
have this spirit and obtain from  
them knowledge about the free  
trip to the Exposition. Thou-  
sands of marvels stand between  
you and that greatest artistic  
achievement of man, the Pana-  
ma-Pacific International Exposi-  
tion. The giant trees of your  
childish wonder, marvelous parks  
that belong to your government,  
the Yosemite, the Yellowstone,  
the Glacier National Park all in-  
vite you, and it is your mer-  
chants who extend the invitation.  
You will see this country and  
the Pacific Ocean, the wonderful  
nations that make up the United  
States, and as the crown of all  
you will see the marvelous Ex-  
position built by the people of  
the United States. You will see  
San Francisco, the City of Won-  
ders, that has risen from fite to  
surpassing strength and beauty.

Go and appreciate the property  
that you and your fellow-citizens  
own—the United States, the  
land of wonders, of beauty, of  
power, of future.

The progressive merchants of  
your county co-operating with  
the Panama Excursion Company  
of Mississippi has made this "On  
to Frisco" spirit possible, and by  
looking up these wide-awake  
merchants you may find out  
every detail. This wonderful,  
magnificent and educational trip,  
as the representative of your  
county, is given you WITHOUT  
COST, and the opportune time  
for you to see about it is NOW.

Further information may be

had by calling on an "On t  
Frisco" merchant, or communi-  
cating with the Panama Excur-  
sion Company of Mississippi,  
Lexington, Miss.

**Beware of Ointments for  
Catarrh that Contain Mercury**  
Mercury will surely destroy the sense  
of smell and completely derange the  
whole system when entering it through  
the mucous surfaces. Such articles should  
never be used except on prescriptions  
from reputable physicians, as the damage  
they will do is ten fold to the good you  
can possibly derive from them. Hall's  
Catarrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, O., contains no  
mercury, and is taken internally, acting  
directly upon the blood and mucous sur-  
faces of the system. In buying Hall's  
Catarrh Cure be sure you get the genu-  
ine. It is taken internally and made in  
Toledo, Ohio, by F. J. Cheney & Co. Testi-  
monials free.  
Sold by Druggists. Price 75c per bottle.

### Buddists in America

"Prominently in front of the  
Buddist Booth at the Panama  
Pacific Industrial Exposition in  
San Francisco is posted the fol-  
lowing:

"Number of Buddhists in the  
world, 580,000,000; Number of  
Buddists in U. S. of America,  
80,000; Number of Buddhists in  
California, 30,000; Number of  
Buddist Churches in California,  
74; Number of Buddhist priests in  
California, 15; Night schools  
in California, 3; Hospitals in  
California, 2; Publications in  
California, 6; Sunday Schools in  
California, 11; Young Men's  
Buddist Association, 12; Mem-  
bers of same, 250,000; Young  
Women's Buddhists Association,  
10; Members of same, 271;  
Number of school teachers in  
California, 60; Pupils of same,  
850; Value of property devoted  
to educational work, \$10,000;  
Kindergarten in California, 6;  
Value of Church property in U.  
S. A., \$250,000; High priests and  
Bishops in America, 2. A large  
poster prominently displayed,  
reads as follows: International  
Buddist's Congress August 2-7,  
1915. Fifty noted speakers  
from India, Birmah, Siam, Cey-  
lon, China, Europe, England and  
America."

This seems too bad a state of  
affairs from a Missionary stand-  
point. What have these San  
Franciscans been doing, you  
think to allow such encroach-  
ments in a so called Christian  
land? They seem to be not real-  
izing, "The Present World Situa-  
tion" of which John Mott  
speaks, "The present institution  
is immeasurably more urgent  
than that of other days because  
of the recent unparalleled tri-  
umphs of Christianity. It is a re-  
markable fact that the most ex-  
tensive victories of Christian  
missions have been those of the  
recent past. Not even in the  
early days of Christianity,  
were such striking results ac-  
chieved as have accompanied the  
efforts of Christian missions in  
Asia and Africa during the last  
decade. These victories have  
been achieved, not only in the  
more favored parts of the Chris-  
tian religion, are most concentrat-  
ed, but on some of the most dif-  
ficult battlefields of the Church.  
Unquestionably it is the time of  
using spiritual tide. It is al-  
ways wise to take advantage of a  
rising tide. More can be ac-  
complished in a short time,  
under such circumstances than  
in long, weary, discouraging  
periods of effort while the tide  
is falling. God seems to have  
done a hundred years work in  
the last five years. The Chris-  
tians of the west must quicken  
their pace. The discerning  
traveler returning from jour-  
neys in the Eastern world today  
must be constrained to confess  
solicitude, not lest the peoples  
of the East fail to receive Christ  
but lest the Christians of the  
West lose Christ as a result of  
not passing on a knowledge of  
Him. The Christians now liv-  
ing in the western lands should  
have realizing sense that this  
present unparalleled world situa-  
tion affords not only the great-  
est opportunity that the Church  
has ever known, but also so far  
as they are concerned, there  
best and only opportunity.

### Will J. Stacy

We call attention this week to  
the candidacy of Mr. Will J.  
Stacy who wishes to serve the  
people of Chickasaw county as  
their next Circuit Clerk. Mr.  
Stacy is a native of Calhoun  
county, but has lived for many  
years in Chickasaw near Hous-  
ton where he has made farming  
his business. He is a son of  
Mr. I. D. Stacy, whom many of  
our townsmen will remember  
was often in this city when he  
made this his market town.

Mr. Stacy was educated in the  
schools of Calhoun and Chicka-  
saw, and his friends believe he  
has had that degree of training  
necessary to make him an effi-  
cient officer. They know him to  
be honest, upright and faithful  
and feel sure the office will be  
in safe hands if Will Stacy is  
put in charge. He has never  
been before the voters before,  
and will make the most thorough  
cavass within the time allotted  
to him that his duties on the  
farm will permit. Remember  
him when you go to the polls.

### Children Cry FOR FLETCHER'S CASTORIA

What is a Christian?

(Published by Special Request)

Fifty-eight answers were given  
to this question in our recent  
symposium. In these answers  
the following facts are set forth.  
The number after a statement  
indicates the number of people  
who included that statement, or  
its equivalent in their answers.

God is back of one's being a  
christian—13

A christian is one who has  
been "born again"—8

He brings forth the "fruits of  
the Spirit"—5

Does the will of God, is obedi-  
ent, etc.—16

Loves or serves God (or  
Christ)—22

Loves, or serves, his fellow-  
men—26

"In Christ"—7

A disciple, follower of Christ,  
Christlike, Christ's man, etc.—18

Desires the Salvation of others—8

Seeks to extend the Kingdom  
of Christ—2

Surrendered to God—9

Acknowledges himself a sin-  
ner, repents, etc.—6

Humble, submissive—9

Forgives as he is forgiven—4

In state of development, im-  
perfect but growing—12

Has accepted Christ as his  
savior (magnifying the atone-  
ment)—17

Assured of his Salvation—2

A man of principle, honor or  
purity—7

Loves the Bible—4

Loves God's house—2

Prays—7

Trustful—4

Grateful—1

Joyous—2

Gives of his money—1

Guards his tongue—1

Keeps the Sabbath—1

The New Testament lays em-  
phasis upon every thing men-  
tioned in this list. Two other  
matters would have been brought  
out in these questions, but they  
appear in later symposiums.  
First, A Christian Confesses  
Jesus Christ. God's appointed  
way for this is through His  
church, and those who answered  
the question, What is a Chris-  
tian? in the later symposium  
show that he will take a stand  
for Christ in His church, as  
Christ commands him. Again,  
at another time the question of  
Worldliness is dealt with, and  
our answers there show the  
christians attitude toward things  
of this world, that may be at  
least doubtful.

Later we will present a few of  
the answers in full.

J. F. Eddins.

### Mother

The word mother is the golden  
key that unlocks the highest,  
holiest and tenderest emotions of  
the human heart. It's the  
sweetest word in all the languag-  
es of all the people that inhabit  
the earth, for who ever saw  
anybody that didn't have the  
best mother in the world.

The tender feeling between  
mother and child is sacred  
ground upon which no outsider  
dare invade.

You may talk about love, af-  
fection and friendship, but they  
all dwindle into insignificance  
when compared to the relation  
of mother and child. Fame,  
reputation and the applause of  
the world are not to be compared  
to it. God Himself thought so  
much of mother that He has  
given her a place in the world  
that cannot be counterfeited or  
imitated. It's plain to be seen  
that she was an after thought  
with God, for after He had  
"created the heavens and the  
earth and all that in them is,  
and pronounced them not only  
good but very good," He was  
not satisfied, there seemed to be  
something lacking to make the  
job complete. He dared not make  
her out of the dust of the earth,  
for then she would be no better  
than man, so He took one of  
Adam's ribs and made out of it  
a creature that called for His  
best effort to satisfy the great  
lack of perfection in creation;  
Adam was wild with delight and  
God was willing to stop for  
there was nothing higher nor  
better to be made. So we have  
had mothers all down the ages  
and today she is the queen of all  
creation, loved and honored by  
all.

Time would fail me to tell how  
a mother's love follows her  
children to the highest immace  
of fame and to the lowest depths  
of degradation and despair,  
always hopeful and looking for  
the silver lining that is said to  
linger around the darkest clouds.

I hope you will pardon a per-  
sonal reference as it shows the  
influence of a mother's love  
under the most trying conditions.  
I was a boy of 18 and had joined  
the Confederate army and was  
bidding my mother good-bye,  
she said I shall pray for you  
every hour and minute that I am  
awake until you get back and  
I tell you now I believe you  
will come back. I lived on that  
prayer for four long years and  
when I was wounded and sick  
and in battle when my comrades

### Calomel Seldom Sold Here Now

Nasty drug salivates, makes you  
sick and you lose a  
day's work.

Every druggist in town—your drug-  
gist and everybody's druggist has  
noticed a great falling-off in the sale of  
calomel. They all give the same rea-  
son. Dodson's Liver Tone is taking  
its place.

"Calomel is dangerous and people  
know it, while Dodson's Liver Tone  
is perfectly safe and gives better re-  
sults," said a prominent local druggist.  
Dodson's Liver Tone is personally  
guaranteed by every druggist who  
sells it. A large bottle costs 50 cents  
and if it fails to give easy relief in  
every case of liver sluggishness and  
constipation, you have only to ask for  
your money back.

Dodson's Liver Tone is pleasant-  
tasting, purely vegetable remedy,  
harmless to both children and adults.  
Take a spoonful at night and wake up  
feeling fine; no biliousness, sick head-  
ache, acid stomach and constipated  
bowels. It doesn't gripe or cause in-  
convenience all the next day like vio-  
lent calomel. Take a dose of calomel  
today and tomorrow you will feel  
weak and nauseated. Don't lose a  
day's work! Take Dodson's Liver  
Tone instead and feel fine, full of vig-  
or and ambition. adv

were falling fast around me I  
would say mother said, I would  
come out alright. Her faith was  
the prop that sustained me, for I  
knew she lived close to the throne  
and walked with God every  
hour.

So let us love our mother's  
whether with us or gone before.  
They are the salt of the earth,  
so recognized of men and es-  
pecially favored by the Lord  
Himself.

## HOW WOMEN AVOID OPERATIONS

By Taking Lydia E. Pink-  
ham's Vegetable  
Compound.

Cleveland, Ohio—"My left side  
pained me so for several years that I  
expected to have to  
undergo an opera-  
tion, but the first  
bottle I took of  
Lydia E. Pinkham's  
Vegetable Compound  
relieved me of  
the pain in my side  
and I continued its  
use until I became  
regular and free  
from pains. I had  
asked several doc-  
tors if there was anything I could  
take to help me and they said there  
was nothing that they knew of. I am  
thankful for such a good medicine and  
will always give it the highest praise."

—Mrs. C. H. CRITCH, 1563 Constant  
St., Cleveland, Ohio.

Hanover, Pa.—"I suffered from fe-  
male trouble and the pains were so bad  
at times that I could not sit down. The  
doctor advised a severe operation but  
my husband got me Lydia E. Pinkham's  
Vegetable Compound and I experienced  
great relief in a short time. Now I feel  
like a new person and can do a hard  
day's work and not mind it. What joy  
and happiness it is to be well once more.  
I am always ready and willing to speak  
a good word for the Compound."—Mrs.
